2. The above Material Cost rates indicate the minimum mandatory contribution by the State Governments/UT Administrations. However, States / UTs may also contribute more than their prescribed share, as some States/UTs have been contributing more than their minimum mandatory share from their own resources for providing meals with augmented nutrition under the PM POSHAN Scheme.

3. You are, therefore, requested to disseminate the above increase in the Material Cost to all concerned and the field functionaries up to school/cooking agency level to ensure prompt implementation of the revised Material Cost with effect from 1st December, 2024.

4. This issues with the approval of Secretary, DoSE&L and concurrence of the Ministry of Finance, Deptt. Of Expenditure vide OM. No 13(02)/PFC-II/2021 dated 25th November, 2024.

Yours sincerely
