CIRCULAR

Subject: Guidelines for Booking of Package Codes for MRI, CT Scan & Colour Doppler under OPD in RGHS

In reference to the approved package codes under RGHS and as per the directions of the Competent Authority, the following guidelines are hereby issued for strict compliance by all empanelled hospitals and diagnostic/imaging centres:

1. More than one MRI / CT Scan / Colour Doppler investigation shall not be permitted against a single OPD TID under RGHS.
2. In exceptional circumstances where multiple investigations are clinically required:
 - The concerned empanelled hospitals and diagnostic/imaging centres shall mandatorily submit a Pre-Authorization (Pre-Auth) request to the TPA.
 - The TPA shall process (Approval / Rejection / Query) such requests within 03 hours of submission.
 - In case of any query raised by the TPA, the empanelled hospital/diagnostic centre must respond within 24 hours, failing which the Pre-Authorization request shall be automatically rejected.
3. The above provisions shall be implemented on the RGHS portal w.e.f. 01.04.2026.

All empanelled hospitals and diagnostic centres are directed to strictly adhere to these guidelines. Any deviation shall be viewed seriously and dealt with as per RGHS norms.

The said order is approved by the competent authority.
